DETAILED ACTION

Response to Preliminary Amendment

1. The preliminary amendment filed 04/01/2004 was entered. As the results, claims 39-42 were cancelled as requested by the Applicants. At this point, claims 1-38 are pending in this Application.

Allowable Subject Matter

2. Claims 1-38 are allowed.
3. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to clearly teach or fairly suggest the method and apparatus of producing operational information regarding the operation of a networked system, the system including entities arranged to communicate over the network, the method and apparatus including the features of, inter alia, combining the system configuration information with the system activity information to obtain real time operational information, as substantially and connected to the independent claims 1 and 20.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
